**Mr. Hisham Farouk, UAE**

Departure : 6 Oct 2013, **Train : Royal Rajasthan on Wheels**

It was a fantastic experience to visit Rajasthan on "Palace on Wheels". Something I would recommend to everybody who visits India. I have never experienced such hospitality before. The sites and entertainment was good. Although some places were a bit rushed where would have liked to spend more time. Food was yum, so much variety!! The staff was very warm and welcoming. Got to make some lovely new friends, a good way of global interaction. A truly amazing experience. Did not want to leave the train in the end.

**Mr. Amar Saxena, UK**
